

# Certificate of Field Performance

fih.ch/hockeyturf

This is to certify that the hockey field located at:

*Malaysia National Hockey Stadium, Main Pitch*

*Bukit Jalil, Kuala Lumpur, Malaysia*

was tested on 12/05/2017 by an FIH Accredited Test Institute and shown to satisfy the performance and construction requirements of a Global Elite category field, as detailed in the FIH Hockey Turf & Field Standards (2017 edition)\*.

The hockey turf installed on the field is: *XTREME TURF NFH13 - AG*

The hockey turf was manufactured by FIH Preferred Supplier: *ACT Global*

DR. NARINDER DHURV BATRA  
PRESIDENT

A handwritten signature in black ink, appearing to read 'N. Dhurv Batra', written over a horizontal line.

Date of Certificate: 30/10/2017

The field is certified until 12/05/2020.

\* The results detailed in the test report show the performance of the field at the time it was tested. Failure to maintain the field in accordance with the hockey turf manufacturer's instructions may result in a deterioration in the performance and safety of the field.

FIH reserves the right to retest a certified field at any time to verify ongoing compliance with its standards.

Certificate number:

2017-099
